A. Garay, Manager

CERTIFICATION PROGRAM

R. Cook, Manager

FOUNDATION PLANT MATERIAL

Lee Schweitzer

1. Will appoint board members, advisory committee members, variety acceptance panels, management staff, and appeal panels.
2. Will serve as program administrator and coordinator.
3. Appointed by Chairman of Board - 3 year duration, with eligibility for re-appointment. Will meet twice per year and additional meetings upon call of chairman. Will set policy, establish standards.
4. Will advise the board on all relevant industry considerations and recommend modifications in procedures as appropriate. Will meet twice per year and make summary reports at each board meeting.
5. Will supervise over-all handling of budgets, management, staffing and operations.
6. Shown for coordination purposes only - not under board member control.
7. Accept varieties into program based upon criteria established by board. Potato, mint, forest tree seed, and horticulture will also be represented when such crops are under consideration.
