

# OSCS Potato Program – Grower Tag Order Form

Fax to OSCS at 541-737-2624, or eMail to [osu-cert@oscs.oregonstate.edu](mailto:osu-cert@oscs.oregonstate.edu)

Date: \_\_\_\_\_ Date needed: \_\_\_\_\_ County Extension Office to receive tags\*<sup>1</sup>: \_\_\_\_\_

Grower: \_\_\_\_\_ Grower's Fax# or eMail: \_\_\_\_\_

(To be completed by OSCS Staff)

Lot	Variety	# Tags	Tag Color* <sup>2</sup>	Lot ID#	Class	Category	Approval

\*1 - Tags will not be mailed directly to the grower.

\*2 - Tag Color Options: **BLUE** - US #1 Seed Potato Grade; **YELLOW** - Contract Grade; **WHITE** - Experimental Variety  
(For blue tag grower must verify grade = US #1 Seed Potato Grade)

**Upon receipt OSCS will:**

1. Verify tag color and change as needed (grower will be notified of any required changes before printing starts, i.e. grower request blue tag on an experimental variety, or a lot with powdery scab);
2. Determine class of lot (i.e. Nuclear, Generation 1, 2, 3, 4, 5, EXC1,2,3)
3. Determine category (status) of seed in regard to winter growout & eligibility for recertification, i.e.  
 A= “**Not Winter Tested**” (Not eligible for recertification)      B=“**Pending Winter Test Results**”  
 C=“**Winter Test Exempt**” (lot less than 750 lbs)                      D=“**Winter Tested**” (eligible for recertification unless otherwise noted)
4. Email or FAX completed form back to grower for review. To speed up processing, grower should verify correctness of completed form. If OSCS does not hear back from grower within 24 hours tags will be printed as noted.
